Re: Flipsetter Inc.

Ms. Mary Dillon,

My name is April Savarese, and I am the CEO for Boys & Girls Clubs of Marion County. After a recent Kiwanis presentation about Boys & Girls Club, I was approached by Sabaresh "Sam" about his unique SAT prep program, called FlipSetter. I explained to Sam, that we did not have the budget to pay for his services, which is when he offered to do a "trial" program for our youth at the Dr. HL Harrell Club. We have had the opportunity to host the FlipSetter team twice per week, for a period of four weeks. The staff feedback has been positive, and we are looking forward to the end of session data to measure success.

Sam mentioned to me that he and his mentor, Phillip Olstein, would be meeting with you to discuss options for partnership with your Clubs. I want to make myself available to you for any questions, or to discuss our experience working with Sam. We have allowed our members to participate in testimonials regarding their participation in the program.

Thank you,

April Savarese
